

Homeowner Efficiency Redo Opportunity (HERO)

A natural gas energy efficiency program designed to help customers in need

The Homeowner Efficiency Redo Opportunity (HERO) offers qualifying homeowners a FREE energy review and pays at least 50% of the cost for qualifying installed weatherization and high-efficiency equipment upgrades.

As part of the FREE energy review, an experienced technician may perform the following services and make recommendations for energy-saving measures to improve your home's efficiency:

- A detailed attic evaluation
- Assess the building for potential carbon monoxide leaks
- Blower door testing
- Thermal imaging and infrared scanning

Program benefits:

Energy-saving measures that may be recommended with at least 50% of the cost paid by this program include:

- Insulating attics and walls
- Repairing or replacing heating systems
- Sealing air leaks
- Replacing water heaters
- And more

Eligibility:

- Must be a single-family homeowner within CenterPoint Energy's service area
- Have a household income at or below 80% of the area's median income, scaled for household size
- At least one (1) of the following documents can be used to verify income eligibility:
 - Last three months of pay stubs
 - W-2 form from the most recent tax year
 - Supplemental Nutrition Assistance Program (SNAP) recipients – Notice of Decision document
 - Women, Infants and Children (WIC) recipients – Participant Summary document
